ABOUT EDGEWOOD REIT

- ▲ Edgewood REIT was organized in December of 2010.
- ▲ \$2.75 billion asset value as of December 31, 2025.
- ▲ \$1.72 billion market capitalization as of December 31, 2025.
- ▲ Diversified real estate mix – predominately multi-family, senior housing and medical office net lease assets.
- ▲ Properties located in 15 states – Upper Midwest, Mountain West, and Central United States.
- ▲ Dividend increase every year since inception.
- ▲ Strong dividend coverage ratio.
- ▲ Since inception, 13.49% compounded annual shareholder return.

Letter to the Shareholders

Dear Shareholders and Partners:

We are pleased to present the 2025 annual report for Edgewood Real Estate Investment Trust (“REIT” or “Edgewood REIT”). 2025 concluded our 15th year of operation, and similar to past years, we report another year of profitable growth. In this letter, we discuss the 2025 operating results for the REIT and future opportunities.

2025

Over the past 15 years, we have realized significant growth in assets, equity, and earnings on an absolute and per-share basis. This has translated into year-over-year growth in dividend payout and share value — resulting in a strong compounded annual total shareholder return of 13.49%.

Since inception, and continuing through 2025, we have acquired quality income producing real estate — resulting in a portfolio that is diversified geographically and within real estate sectors. Approximately 45% of our net operating income (“NOI”) is generated from multi-family assets and 55% from net lease assets — predominantly senior housing and medical office buildings. This portfolio has provided consistent net operating income growth and a reliable income stream.

We remain disciplined in our use of leverage. As of December 31, 2025, our long-term debt-to-value ratio stood at a conservative 37%.

In challenging economic times, we are pleased with our continued year-over-year increase in funds available for distribution (“FAD”) and distributable cash flow. As leaders of Edgewood REIT, we follow macro and industry specific events and, when necessary, take action to reflect conditions we feel are structural and not merely transitory.

Letter to the Shareholders *(continued)*

In response to economic conditions, we increased our exposure to multi-family assets. We continue to see appreciation and same store NOI growth in our multi-family portfolio. Recently, we also acquired attractive senior housing assets, including \$93 million in the first quarter of 2026, in response to very supportive demographic trends and lack of new senior housing supply. We also continue to explore ways to optimize our cost of capital through prudent management of our debt-to-equity ratio.

Activity in 2025 included the acquisition of an additional 900 multi-family units — \$134 million — and \$75 million of net lease assets. Acquisitions included:

- ▲ Medical Office building located in Wichita, KS (\$7.7 million)
- ▲ Senior Housing property located in Mandan, ND (\$6.5 million)
- ▲ Industrial buildings located in Bismarck, ND (\$5.225 million)
- ▲ Multi-Family assets located in Fargo, ND (\$12.1 million)
- ▲ Multi-Family assets located in Springfield, MO (\$19.25 million)
- ▲ Multi-Family assets located in Minot, ND (\$17.17 million)
- ▲ Senior Housing property located in Minot, ND (\$5.25 million)
- ▲ Multi-Family/mixed use asset located in Springfield, MO (\$24.9 million)
- ▲ Multi-Family assets located in Fargo, ND (\$27.95 million)
- ▲ Single tenant office building located in Eagan, MN (\$11.5 million)
- ▲ Senior Housing property located in Ogden, UT (\$29 million)
- ▲ Flex Industrial building located in Roseville, MN (\$9.325 million)
- ▲ Multi-Family assets located in Minot, ND (\$33 million)

2025 also represented another year of growth in our key performance indicators:

- ▲ Revenue increased by 9.12%
- ▲ Funds available for distribution increased by 13.07%
- ▲ Book equity increased by 14.02%
- ▲ Market value of equity increased by 15.86%
- ▲ Distributable cash flow per share increased by 4.72%
- ▲ Leverage decreased based on a percentage of enterprise value and book value by approximately 2%

\$209 M
of Real Estate Assets
Acquired in 2025

5%
Current Cash
Dividend Yield

15
Consecutive Years
of Dividend Increases

The continued growth in assets and equity, along with an increase in same-store NOI, resulted in year-over-year growth in enterprise value. As of December 31, 2025, the REIT is approaching \$2.75 billion in enterprise value. In addition, our recent dividend increase resulted in the 15th consecutive year (going back to organization of the REIT) of dividend growth realized by our investors.

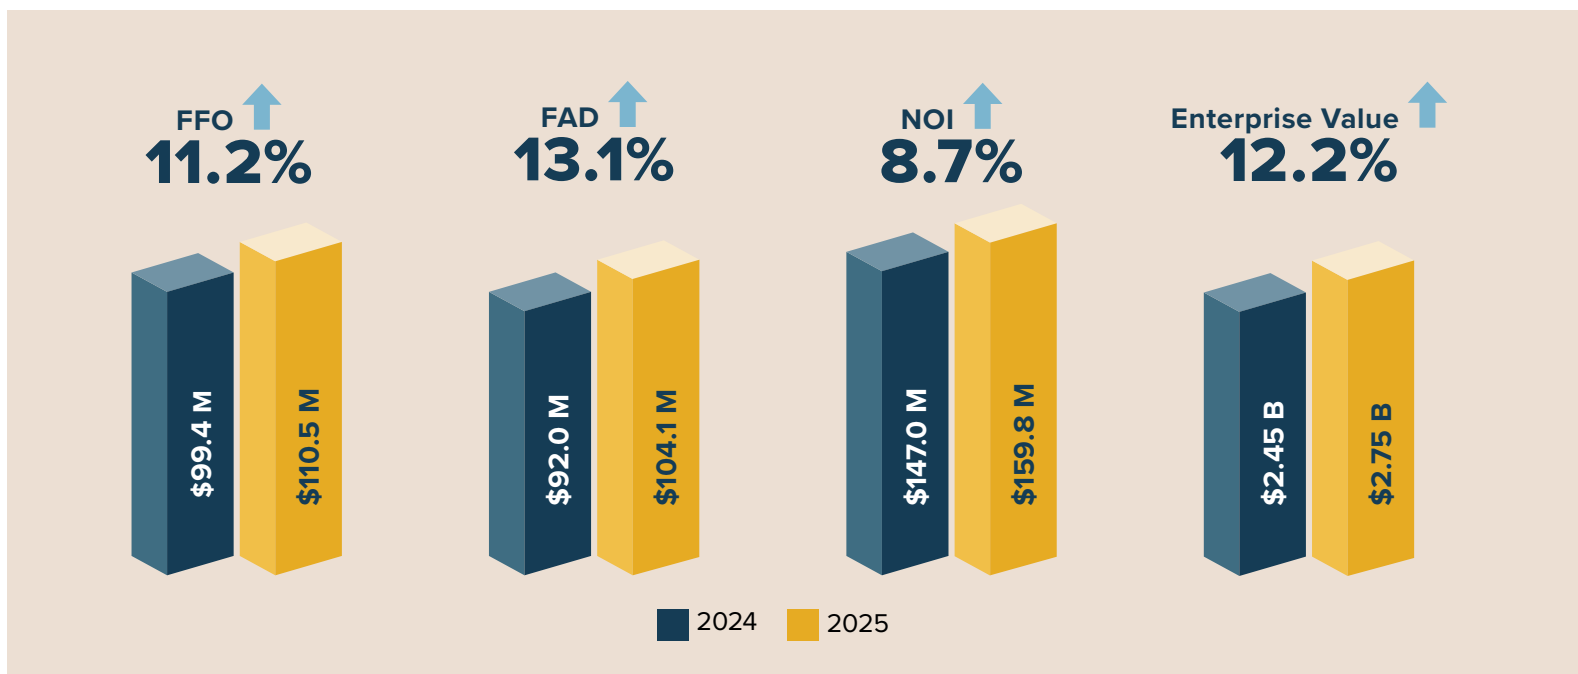

From a balance-sheet standpoint, we are well positioned to withstand higher interest rates as our weighted average debt maturity is 7.42 years and weighted average interest rate is 4.13%. We remain cautious as it pertains to leverage and pursue opportunities to place debt when the interest rate environment is favorable. In addition, we continue to pursue multi-family acquisitions when there is an opportunity to assume existing agency debt at interest rates lower than current market rates.

As of December 31, 2025, we own 8,961 multi-family units and a net lease portfolio, consisting of 128 healthcare and other commercial properties. Occupancy rates in our multi-family portfolio were 95%, 100% in our senior housing assets, and 97% in other net lease assets.

In 2025, we realized growth on an absolute and per share basis in same-store NOI, funds from operations, and FAD.

3.5%
2025 Same Store
Multi-Family
NOI Growth

2%
2025
FAD Growth
per Share

Letter to the Shareholders *(continued)*

Based on the performance of our portfolio, the REIT Board of Trustees increased the share price from \$27 to \$28 effective November 1, 2025. This increase is reflective of continued growth in net asset value. In addition, the Trustees authorized an increase in the annual dividend payout from \$1.35 per share to \$1.40 effective January 1, 2026.

2026 Outlook

As we write this letter, the economic environment continues to feature pockets of uncertainty — moderated payroll growth, lingering inflation pressures, and geopolitical tensions. **This backdrop underscores the value of Edgewood REIT within a diversified investment portfolio.** Our performance is driven by tangible real-estate fundamentals rather than market sentiment, and it has historically shown low correlation to the S&P 500.

We are proud of the foundation we have built over 15 years and remain confident in our ability to deliver steady, positive shareholder returns through a combination of dividends and asset appreciation.

Thank you for your continued trust and partnership with Edgewood Real Estate Investment Trust.

FFO: The most accepted and reported measure of REIT operating performance.

FAD: A measure of a real estate company's cash flow generated by operations. It is considered a closer measure of economic profitability than FFO.

Your Investment

CREATING SHAREHOLDER VALUE

Over the past 15 years, Edgewood REIT has acquired quality real estate and generated solid earnings growth, which has resulted in a 13.49% compounded annual shareholder return. In addition, we remain focused on capital preservation and risk mitigation.

Diversified by Geographic Region

Edgewood REIT currently owns quality real estate in 15 states – concentrated in the Upper Midwest, Mountain West, and Central United States (primarily in tertiary markets).

Diversified by Real Estate Sector Mix

In 2025, 45% of net operating income was generated from multi-family assets and 55% from net lease assets.

Strong Dividend Coverage Ratio

Since organization, Edgewood REIT has increased its dividend payout annually averaging 9.12% per year. In addition, we have maintained a strong dividend coverage ratio with excess earnings used to pay down debt and invest in quality assets.

Consistent Growth in Earnings Per Share

Earnings per share, as measured by distributable cash flow, has increased each year and supports the annual dividend increase.

Consistent Growth in Net Asset Value per Share

Continued growth in net operating income on a year-over-year basis, along with annual principal payments on debt, have resulted in year-over-year increases in net asset value per share – reflective in share price, which has increased from \$9.50 in 2011 to \$28.00 in 2025.

Edgewood REIT is an attractive alternative asset with a very low correlation to the S&P 500.

INVESTMENT PERFORMANCE

Calculations supporting the investment performance chart above are based on an initial investment of \$100,000 with all quarterly dividends reinvested. An investment of \$100,000 on January 1, 2011 (inception), would be worth \$668,478.31 as of December 31, 2025.

Effective January 1, 2026 – Dividend \$1.40 per year.

Effective November 1, 2025 – Stock price \$28.00 per share.

DISTRIBUTION REINVESTMENT PLAN

A Distribution Reinvestment Plan is offered as a convenience to investors of record who wish to increase their holdings in the company. Additional shares may be purchased, without a service or sales charge, through automatic reinvestment of quarterly cash dividends at a 5% discount off the current share price.

Board of Trustees

OUR BOARD

Edgewood Real Estate Investment Trust understands the importance of selecting board members who represent the interest of our investors with the highest degree of integrity. There are nine board members who meet those standards. These individuals are highly competent, ethical, and understand their fiduciary responsibilities to the company and its investors. We appreciate their hard work and the value they bring to Edgewood Real Estate Investment Trust.

INDEPENDENT AUDITOR'S REPORT

To the Management and Board of Trustees of
Edgewood Real Estate Investment Trust and Subsidiaries
Fargo, North Dakota

Opinion

We have audited the accompanying consolidated financial statements of Edgewood Real Estate Investment Trust and Subsidiaries, which comprise the consolidated balance sheets as of December 31, 2025 and 2024, and the related consolidated statements of operations, other comprehensive income, stockholders' equity, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Edgewood Real Estate Investment Trust and Subsidiaries as of December 31, 2025 and 2024, and the results of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of Edgewood Real Estate Investment Trust and Subsidiaries and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Edgewood Real Estate Investment Trust and Subsidiaries' ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Edgewood Real Estate Investment Trust and Subsidiaries' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Edgewood Real Estate Investment Trust and Subsidiaries' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Information Included in the Company's Annual Report

Management is responsible for the other information included in the Company's annual report. The other information comprises the information included in the annual report, but it does not include the consolidated financial statements and our auditor's report thereon. Our opinion on the consolidated financial statements does not cover the other information, and we do not express an opinion or any form of assurance on it.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the consolidated financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

EDGEWOOD REAL ESTATE INVESTMENT TRUST AND SUBSIDIARIES
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE 1 NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES

Nature of operations

Edgewood Real Estate Investment Trust (“The Company” or “Edgewood REIT”) is a real estate investment trust (REIT) engaged in acquiring, owning and leasing senior housing facilities, commercial real estate, and multi-family and other housing-related real property in North Dakota, South Dakota, Minnesota, Montana, Nebraska, Wyoming, Idaho, Missouri, Iowa, Arizona, Florida, Kansas, Colorado, Texas, and Utah. REITs are subject to a number of organizational and operational requirements, including a requirement to distribute 90% of REIT taxable income to shareholders and, generally, are not subject to federal income tax on net income. The Company was formed during 2010. The Company conducts a majority of its business activities through its consolidated operating partnership, Edgewood Properties LLLP, a North Dakota Limited Liability Limited Partnership (the “Operating Partnership”), and through several wholly-owned subsidiaries, which are listed in Note 12.

Basis of presentation

The consolidated financial statements include the accounts of Edgewood Real Estate Investment Trust and its Subsidiaries, as noted above, in which it maintains a controlling interest. All material inter-company transactions and balances have been eliminated in the consolidated financial statements. Edgewood Properties is a 100% owner of the LLC entities disclosed in Note 12. The Company’s interest in the Operating Partnership was approximately 35% as of December 31, 2025 which includes 100% of the general partnership interest. The limited partners own units in the Operating Partnership which have a conversion option they may exercise for Edgewood REIT common shares of beneficial interest, on a one-for-one basis. The limited partners have no voting rights in Edgewood REIT.

Use of estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions which affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Real estate investments

Real estate investments held for rental are stated at the lower of cost less accumulated depreciation or fair value if impairment is identified. Real estate investments held for sale are reported at the lower of their carrying amount or fair value less cost to sell. Buildings and land improvements are depreciated on the straight-line method over their estimated life not to exceed 40 and 20 years, respectively. Furniture, fixtures, and equipment are depreciated on the straight-line method over their estimated life not to exceed 9 years. All direct and indirect costs, including interest and real estate taxes associated with the development, construction, leasing or expansion of real estate investments, are capitalized as a cost of the property. Expenditures for repairs and improvements which significantly add to the productive capacity or extend the useful life of an asset are capitalized. Expenditures for routine maintenance and repairs, which do not add to the value or

EDGEWOOD REAL ESTATE INVESTMENT TRUST AND SUBSIDIARIES
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2025 AND 2024

extend the useful life of an asset, are charged to expense as incurred. The Company currently expenses most capital costs of individual items that are individually under a \$5,000 threshold according to the capitalization policy as adopted by the Company.

The Company recognizes acquisition fees at the point of purchase (disposal) in accordance with ASU No. 2017-01. The Company allocates the purchase price based on the relative fair values of the tangible and intangible assets of an acquired property (including the land, building, and personal property) which is based on the relative fair values of tangible and intangible assets. The estimated fair value of the property is the amount which would be recoverable upon the disposition of the property. Techniques used to estimate fair value include discounted cash flow analysis and reference to recent sales of comparable properties. A land value is assigned based on the purchase price if land is acquired separately or based on estimated fair value if acquired in a merger or in a single or portfolio acquisition.

Acquired above and below-market lease values are recorded as the difference between the contractual amounts to be paid pursuant to the in-place leases and management's estimate of fair market value lease rates for the corresponding in-place leases. The capitalized above and below-market lease values are amortized and included as part of rent expense over the remaining terms of the respective leases, which include fixed rate renewal options for below-market leases if it is determined probable the tenant will execute a bargain renewal option. The REIT currently does not have any allocations to above or below- market lease values.

Other intangible assets acquired include amounts for in-place lease values which are based on the Company's evaluation of the specific characteristics of the leases. Factors considered in the fair value analysis include an estimate of carrying costs and foregone rental income during hypothetical expected lease-up periods, considering current market conditions, and costs to execute similar leases. The Company also considers information about each property obtained during its pre-acquisition due diligence, marketing and leasing activities in estimating the relative fair value of the tangible and intangible assets acquired. The in-place lease allocations are included in real estate investments and amortized over the lease terms, including extensions, no greater than 20 years.

At least annually, or upon the occurrence of significant changes in the operations, the Company evaluates its real estate investments to assess whether any impairment indications are present, including recurring operating losses and significant adverse changes in legal factors or business climate which affect the recovery of the recorded value. If any real estate investment is considered impaired, a loss is provided to reduce the carrying value of the property to its estimated fair value.

Cash and cash equivalents

The Company is including its checking accounts, savings accounts, and CDs as cash and cash equivalents in these consolidated statements. There are no other highly liquid investments which are considered cash and cash equivalents.

Restricted deposits

Pursuant to the terms of certain mortgages and management policy, the Company establishes and maintains real estate tax and insurance escrow accounts to pay real estate taxes and insurance. The Company contributes to the account a monthly amount equaling 1/12th of the estimated annual real estate taxes and insurance premiums.

EDGEWOOD REAL ESTATE INVESTMENT TRUST AND SUBSIDIARIES
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2025 AND 2024

Pursuant to the terms of certain mortgages and management policy, the Company establishes and maintains replacement reserve accounts. The Company makes monthly deposits into the replacement reserve accounts to be used for repairs and maintenance on the properties. Certain replacement reserve accounts require authorization of the mortgage company for withdrawals.

Accounts receivables and allowance for credit losses

Account receivables are derived from rents and charges due from residential tenants, along with other miscellaneous receivables. Payments on accounts receivables are applied to specific accounts/months. The net amount represents the amount expected to be collected as of the consolidated balance sheet date. Management estimates an allowance for credit losses based on an evaluation of historical credit loss write-offs, current economic conditions, and analysis of outstanding aged receivables. The Company believes the historical loss information is a reasonable starting point from which to calculate the expected allowance for credit losses as the Company's receivables have remained relatively consistent.

The Company has determined that current and forecasted economic conditions are not expected to have a significant impact on expected credit losses and no material adjustments to the allowance calculation were made during the current year.

The Company pools its receivables based on similar risk characteristics in estimating the expected credit losses. In situations where a receivable does not share the same risk characteristics with other receivables, the Company measures those receivables individually. The Company also continuously evaluates such pooling decisions and adjusts as needed from period to period as risk characteristics change.

Receivables are written off when deemed uncollectible. Write-offs are recognized as a reduction in the allowance for credit losses. If any recoveries are made from any accounts previously written off, they will be recognized in income in the year of recovery, in accordance with the entity's accounting policy election. Management's estimate of the allowance for credit losses, as well as the separate amounts of write-offs and recoveries were immaterial with respect to the consolidated financial statements as a whole as of December 31, 2025 and 2024.

Straight-line rent receivable

Certain rental revenue is recognized on a straight-line basis, which averages minimum required rents to be received over the terms of the leases. Rent recognized in advance of collection is reflected as a receivable arising from straight-lining rents, net of allowance for credit losses. Rent concessions, including free rent, are reflected as a payable and are amortized over the terms of the related leases.

EDGEWOOD REAL ESTATE INVESTMENT TRUST AND SUBSIDIARIES
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2025 AND 2024

Receive-variable, pay-fixed interest rate swaps

The Company has adopted the alternative offered to nonpublic entities in FASB ASC 815-20 for certain variable rate borrowings involving receive-variable, pay-fixed interest rate swaps. In accordance with this alternative, the Company assumes there is no hedge ineffectiveness and applies the simplified hedge accounting approach for all interest rate swaps meeting those criteria. In addition, the Company measures the swap using settlement value rather than fair value.

Other assets

Other assets consist of earnest money deposits and other nonmarketable investments recorded at cost, as well as cumulative unrealized gains on interest rate swaps as discussed in Note 8.

Distributions payable

Distributions payable represent distributions declared to common shareholders and unit holders in the operating partnership of record on December 31, 2025 payable on January 15, 2026.

Advertising

The Company expenses advertising costs as they are incurred.

Federal income taxes

Edgewood REIT operates in a manner intended to qualify as a Real Estate Investment Trust under Sections 856-860 of the Internal Revenue Code of 1986, as amended. Under those sections, a REIT which distributes at least 90% of its taxable income as a dividend to its shareholders each year and which meets certain other conditions will not be taxed on that portion of its taxable income. For the year ended December 31, 2025, the Company distributed in excess of 90% of its taxable income within the prescribed time limits; accordingly, no provision has been made for federal income taxes in the accompanying consolidated financial statements. If the Company fails to qualify as a REIT in any taxable year, the Company will be subject to federal income tax on its taxable income at regular corporate rates (including any alternative minimum tax) and may not be able to qualify as a REIT for the four subsequent taxable years. Even as a REIT, the Company may be subject to certain state and local income and property taxes, and to federal income and excise taxes on undistributed taxable income. In general, however, if the Company qualifies as a REIT, no provisions for federal income taxes are necessary except for taxes on undistributed REIT taxable income.

Edgewood REIT conducts its business activity as an Umbrella Partnership Real Estate Investment Trust ("UPREIT") through its Operating Partnership. UPREIT status allows Edgewood REIT to accept the contribution of real estate in exchange for operating partnership units. Generally, such a contribution to a limited partnership allows for the deferral of gain by an owner of appreciated real estate.

Distributions were characterized, for federal income tax purposes, as 71% ordinary income and 29% return of capital for the year ended December 31, 2025, and 73% ordinary income and 27% return of capital for the year ended December 31, 2024.

EDGEWOOD REAL ESTATE INVESTMENT TRUST AND SUBSIDIARIES
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2025 AND 2024

The Company's policy is to evaluate the likelihood its uncertain tax positions will prevail upon examination based on the extent to which those positions have substantial support within the Internal Revenue Code and Regulations, Revenue Rulings, court decisions, and other evidence.

There were no uncertain tax positions as of December 31, 2025.

Non-controlling interests

Ownership interests in the Operating Partnership held by limited partners are represented by operating partnership units. The Operating Partnership's income is allocated to holders of units based upon the ratio of their unit holdings to the total common shares and operating partnership units outstanding during the period. Capital contributions, distributions, and profits and losses are allocated to limited partners in accordance with the terms of the Operating Partnership agreement. Limited partners as of December 31, 2025 and 2024, were considered non-controlling interests.

Non-controlling interests in partially owned properties

Non-controlling interests in partially owned properties represent minority shares in real estate held as tenants-in-common.

Variable interest entity

The Company has determined the Operating Partnership, Edgewood Properties, LLLP, is a variable interest entity (VIE). The limited partners lack voting rights and substantive participating rights. The Company is the primary beneficiary of the VIE, and the partnership is required to be consolidated on the Company's balance sheet because it has a controlling financial interest in the VIE and has both the power to direct the activities of the VIE which most significantly impact the VIE's economic performance and the obligation to absorb losses or the right to receive benefits from the VIE which could be significant to the VIE. Because the Operating Partnership is a VIE, substantially all of its assets and liabilities are held through a VIE.

NOTE 2 RESTRICTED DEPOSITS

Restricted deposits consists of the following as of December 31, 2025 and 2024:

	2025	2024
Real estate tax escrow	\$ 2,400,179	\$ 2,587,108
Insurance escrow	2,188,857	817,236
Reserve escrow	8,119,516	15,171,963
Other escrow	61,753	43,796
Total restricted deposits	<u>\$ 12,770,305</u>	<u>\$ 18,620,103</u>

EDGEWOOD REAL ESTATE INVESTMENT TRUST AND SUBSIDIARIES
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2025 AND 2024

NOTE 3 PROPERTY

Property, consisting principally of real estate owned and leased to tenants, is stated at cost less accumulated depreciation and is summarized as follows:

	2025	2024
Land	\$ 223,347,306	\$ 197,434,502
Buildings	2,102,506,179	1,844,111,132
Leasehold improvements	7,268,509	3,243,649
In-place leases	4,072,500	4,072,500
Furniture, fixtures, and equipment	30,203,149	36,513,859
Construction in progress	50,495,616	62,322,168
Total property	2,417,893,259	2,147,697,810
Less accumulated depreciation/amortization	(306,324,094)	(256,311,739)
Total property, net	\$ 2,111,569,165	\$ 1,891,386,071

Depreciation expense for the years ended December 31, 2025 and 2024 was \$53,164,939 and \$48,369,119, respectively.

The Company has entered into long-term operating leases for commercial properties. The terms and payment amounts vary among the properties, many of which are managed by related parties, see Note 9.

The future minimum lease revenue under non-cancellable leases for commercial properties (assuming no options to renew or buy-out the leases are exercised) are as follows:

For the year ending December 31,	
2026	\$ 78,674,481
2027	77,195,311
2028	73,572,848
2029	69,325,688
2030	64,712,955
Thereafter	176,851,528
Total	\$ 540,332,811

Rent revenues under the leases which were in-place for the years ended December 31, 2025 and 2024 were \$77,878,669 and \$75,934,933, respectively.

The effect of amortization of acquired in-place lease allocations was approximately \$101,813 for both years ended December 31, 2025 and 2024. This amount was included in depreciation expense related to real estate investments. The estimated amortization of acquired in-place leases for each of the five succeeding fiscal years is \$101,813.

- EWR Springfield Coryell Crossing Apartments, LLC

The following properties were sold during the year ended December 31, 2024 to unrelated third parties:

- MV Westbrook, LLC
- EWR Grand Forks Medvue, LLC
- EVI Kindred, LLC
- EVI Greenfield Apartments, LLC
- EVI Essex Place Apartments, LLC

NOTE 5 COMMITMENTS AND CONTINGENCIES

Risk of uninsured property losses

Edgewood REIT maintains, at management's discretion, adequate insurance against property damage, fire loss, and liability insurance. However, there are certain types of losses (generally of a catastrophic nature) which may be either uninsurable or not economically insurable. Such excluded risks may include war, earthquakes, hurricanes, certain environmental hazards, and floods. Should such events occur, (i) Edgewood REIT might suffer a loss of capital invested, (ii) tenants may suffer losses and may be unable to pay rent for the spaces, and (iii) Edgewood REIT may suffer a loss of profits.

Litigation

Edgewood REIT is subject to a variety of legal actions for personal injury or property damage arising in the ordinary course of business, most of which are covered by liability insurance. Various claims of resident discrimination are also periodically brought, most of which are covered by insurance. While resolution of these matters cannot be predicted with certainty, management believes that the final outcome of these claims and legal proceedings will not have a material effect on liquidity, financial position, cash flows, or results of operations.

Environmental matters

Under various federal, state, and local laws, ordinances, and regulations, a current or previous owner or operator of real estate may be liable for the costs of removal of, or remediation of, certain hazardous or toxic substances in, on, around, or under the property. While management currently has no knowledge of any material violation of environmental laws, ordinances, or regulations at any properties, there can be no assurance the areas of contamination will not be identified at the properties or changes in environment laws, regulations, or cleanup requirements would not result in material costs.

EDGEWOOD REAL ESTATE INVESTMENT TRUST AND SUBSIDIARIES
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2025 AND 2024

Cash deposits held

The Company maintains its cash and cash equivalents in bank deposit accounts which, at times, may exceed the federally insured limits as guaranteed by the Federal Deposit Insurance Corporation (FDIC). The Company has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

NOTE 6 NOTES PAYABLE

Details pertaining to the Company's debt and assets assigned as collateral thereon as of December 31, 2025 and 2024 are as follows:

Lender	Maturity Dates	Current Note Rates	Current Portion	Balance 12/31/25	Balance 12/31/24

				Less: unamortized debt issuance costs	(5,461,119)
				Net notes payable	(5,997,847)
				\$ 948,976,123	\$ 964,373,203

In addition to the bank notes payable shown above, there is an additional \$1,250,000 owed to a minority partner as of December 31, 2025, and the REIT expects this note to be paid off or converted to equity in 2026.

All of the notes payable are secured by the acquired real property.

Interest expense for the years ended December 31, 2025 and 2024 includes amortization of loan fees of \$1,196,296 and \$956,113, respectively.

EDGEWOOD REAL ESTATE INVESTMENT TRUST AND SUBSIDIARIES
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2025 AND 2024

Future principal payments due for the above long-term debt as of December 31, 2025 are as follows:

<u>For the year ending December 31,</u>	
2026	\$ 111,345,378
2027	113,439,159
2028	71,709,762
2029	104,683,755
2030	107,700,154
Thereafter	<u>445,559,034</u>
Total	<u>\$ 954,437,242</u>

NOTE 7 LINE OF CREDIT

On October 21, 2019, the Company entered into a revolving operating credit line agreement with Bremer Bank, N.A., with a limit of \$10,000,000. The note matures on October 25, 2029, with interest payable monthly at a variable rate based on 30-day SOFR plus 2.25%. As of December 31, 2025 and 2024, the line of credit carried an interest rate of 6.00% and 6.77%, respectively, and had an outstanding balance of \$0 and \$4,329,340, respectively.

On July 30, 2024, the Company entered into a revolving operating credit line agreement with First International Bank & Trust, with a limit of \$100,000,000. The note matures on July 30, 2027, with interest payable monthly at a variable rate based on the prime rate of interest minus 1.00%. As of December 31, 2025 and 2024, the line of credit carried an interest rate of 5.75% and 0%, respectively, and had an outstanding balance of \$79,440,000 and \$0, respectively.

NOTE 8 RECEIVE-VARIABLE, PAY-FIXED INTEREST RATE SWAPS

As disclosed in Note 6, the Company has multiple notes outstanding with Bremer Bank which total \$118,778,641 and \$117,027,555 as of December 31, 2025 and 2024, respectively. As of December 31, 2025, the Company had entered into interest rate swap contracts with sixteen of these notes, which mature when the debt matures, to effectively convert these variable-rate borrowings into fixed-rate borrowings with interest rates ranging from 3.32%-4.95%.

In addition, the Company has multiple notes outstanding with Alerus Financial which total \$35,829,110 and \$52,925,131 as of December 31, 2025 and 2024, respectively. As of December 31, 2025, the Company had entered into interest rate swap contracts with seven of these notes, which mature when the debt matures, to effectively convert these variable-rate borrowings into fixed-rate borrowings with interest rates ranging from 3.53%-5.04%.

The swap contracts qualify for the simplified hedge accounting alternative offered to nonpublic entities and are measured at settlement value. As of December 31, 2025, and 2024, the Company has cumulative unrealized gains (losses) from changes in the swap contract's settlement value of \$4,401,315 and \$10,004,196, respectively, in other comprehensive income (loss). This cumulative amount is included in other assets as of December 31, 2025 and 2024, respectively.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2025 AND 2024

NOTE 9 TRANSACTIONS WITH RELATED PARTIES

Edgewood REIT and Subsidiaries (the Company) has entered into agreements with Edgewood OpCo, LLC (the operating company). Mr. Philip Gisi and his family, on an as converted basis, control approximately 4% of the outstanding voting shares of the Company. Mr. Gisi currently serves as an “at large” member of the Board of Trustees of Edgewood REIT. Prior to March 20, 2018, Mr. Gisi served as President of the Company’s Board of Trustees. Mr. Gisi and his family also control a majority ownership of Edgewood OpCo, LLC. As a result, Edgewood REIT and Edgewood OpCo, LLC are related parties. See below for a summary of the entities, the amount receivable or payable to each as of December 31, 2025 and 2024, and the revenue or expenses incurred to each of the years ended December 31, 2025 and 2024.

The Company receives rental income from Edgewood OpCo, LLC. Total rental revenues for the years ended December 31, 2025 and 2024 were \$47,773,818 and \$46,187,560. Also see Note 3 for related party leases.

As of December 31, 2025 and 2024, the Company had amounts receivable due from members of \$342,301 and \$494,195, respectively.

The Company pays management, acquisition, and finance fees to EP Management Inc. (the Advisor) for its work in acquiring properties, negotiating financing, and providing management services. The Advisor is partially owned by individuals who have positions on the Board of Trustees of the Company, including Jon Strinden (an at-large member of the Board and the President of Edgewood REIT) and Philip Gisi (an at-large member of the Board). All owners of the Advisor are also investors in Edgewood REIT and, on an as converted basis, for the years ended December 31, 2025 and 2024, the owners of the Advisor control approximately 12% and 12% of the outstanding voting shares, respectively. Total costs incurred for management and acquisition fees for the years ended December 31, 2025 and 2024 were \$19,253,008 and \$18,870,949, respectively.

As of December 31, 2025 and 2024, \$1,085,558 and \$989,960 was due to Edgewood Properties Management, LLC, respectively, in result of accrued advisory fees and reimbursable expenses. In addition, as of December 31, 2025 and 2024, \$14,091,641 and \$19,818,048 was due from Edgewood Properties Management, LLC, respectively, relating to the construction of multi-family units in Bismarck, ND, Springfield, MO and other miscellaneous expenditures. The advisor is serving as the developer for the multi-family construction and upon completion the assets will consist of 320 multi-family units located in Bismarck, ND and 112 multi-family units in Springfield, MO and will be contributed to the REIT in satisfaction of the receivable.

The beneficial ownership of common shares of the Trust and of limited partnership units of the Operating Partnership controlled by advisors and directors, on an as converted basis, for the years ended December 31, 2025 and 2024 totaled approximately 7,510,213 and 7,420,254 or 28.0% and 28.0% of the total outstanding shares, respectively.

DECEMBER 31, 2025 AND 2024

NOTE 10 MAJOR CUSTOMERS

The Company derived 10% or more of its revenue for the years ended December 31, 2025 and 2024 from the following customer:

The Company receives rental income from Edgewood OpCo. Total rental revenues for the years ended December 31, 2025 and 2024 were \$47,773,818 and \$46,187,560, respectively with \$0 included in related party receivable both years.

NOTE 11 INCOME TAXES

It is the opinion of management the Company has no significant uncertain tax positions which would be subject to change upon examination. The federal income tax returns of the Company are subject to examination by the IRS, generally for three years after they are filed. All required filings with tax authorities are up-to-date.

NOTE 12 WHOLLY-OWNED SUBSIDIARIES

As disclosed in Note 1, the Company conducts a majority of its business activities through its consolidated operating partnership, Edgewood Properties LLLP, a North Dakota Limited Liability Limited Partnership and through several wholly owned subsidiaries as follows:
